

How to arrange a clinic appointment with Mr Barlow or Mr Broadhead during the Covid Pandemic

Mr Adam Barlow

Consults only at the Spire Leeds Hospital - Thursday afternoon / evening, alternate weeks.

Will see new and follow-up patients face to face for consultation and review without prior arrangement.

In all cases, please obtain a GP referral which should be sent to me, prior to the appointment, at the following address:
deborah.turner15@nhs.net

Please call Spire Leeds Hospital booking team on **Tel: 0113 218 5908** to make your appointment.

Mr Tim Broadhead

Consults at the Spire Leeds Hospital – Tuesday evenings and Thursday afternoons, weekly.

Also at the Leeds Nuffield Hospital – Tuesday mornings and Wednesday evenings, weekly.

Mr Broadhead is happy to conduct consultations via telephone, video link, or face-to-face. Should you feel a telephone/video appointment is more suitable; patients will be assessed, and any tests or imaging arranged following the initial 'virtual' consultation. Once results are available or Mr Broadhead feels a patient should be seen for examination, a face to face consultation will be arranged. If you wish to see Mr Broadhead at the onset, the bookings teams can now arrange this.

If you wish to make an appointment for a consultation, please call the bookings teams on the following numbers to make arrangements for your appointment:

Spire Leeds Hospital booking team – **Tel: 0113 218 5908**

Leeds Nuffield Hospital booking team – **Tel: 0113 388 2067**

If you have received an NHS letter advising you need a COLPOSCOPY examination, please note that we can, where clinic space permits, now arrange a 'one-stop' visit where you have a consultation with Mr Broadhead and the colposcopy at the same visit. If you wish to do this, you will need to speak to me to arrange this.

In all cases, please attempt to obtain a GP referral which should be sent to me, prior to the appointment, at the following address: deborah.turner15@nhs.net

If you are already under Mr Broadhead's care, you can arrange a face to face review appointment or a telephone review – please let the team know which is your preference and they will make the appropriate note on the booking.

I hope the above information is helpful.

Kind regards,

Debbie
